MDI[®]

An extension of your workforce

Whether you need to expand your production temporarily or solve a labor shortage long-term, MDI can help.

With over 500+ team members trained and ready, we can boost your production while following strict quality and efficiency standards. An agile solution to get your production needs met, even for quick turnarounds.

About MDI

MDI empowers the career success of people with disabilities. As a nonprofit, social enterprise manufacturer, we create corrugated packaging solutions and provide production services that support businesses across the country.

Projects Are Completed Per ISO 9001:2015 and ISO 13485:2016 Standards
FDA Registered for Medical Device Assembly and Packaging
FDA Certified for Food Handling for Labeling and Relabeling
Packing and Repacking of Food Items

Flexible, high-quality & on-time turn around

Solve staffing challenges

If labor shortages are stifling profits, volume variations make staffing difficult, or you simply need to offload the risks and expenses of employees, MDI is the agile solution you've been searching for.

Ramp up your production quickly

No matter what your needs are, MDI has the facilities, team, and capabilities to make it happen. From specialized kitting & assembly, vacuum sealing, product testing, high-volume labeling, and shrink wrapping, MDI is your ultimate solution.

What can you expect from MDI?

- Quick turnaround
- On-time and on budget
- 24-hour quoting
- Ability to customize

The experienced labor force.

MDI production services is an extension of your workforce, offering contract packaging, kitting, assembly, inspection and product testing. Focused on cost-effectiveness, quality, and quick turnarounds, MDI is a partner to businesses that need to grow their production without the costs or challenges of hiring in-house team members.

- Eliminate costly staffing agencies
- Solve labor shortages
- Reliable, trained, and skilled workforce
- Rapid production ramp-up
- 100% quality assurance
- Lower production risk and costs

“If you are looking to partner with people who are efficient, thorough, and genuinely care about you and your mission, then look no further than MDI.”
