

What is Unified Work?

At Unified Work, we join forces with both employers and individuals with disabilities to foster a truly inclusive workplace through specialized business consulting and training. Diversity is essential, but not every organization is equipped to effectively recruit, onboard, and train individuals with disabilities. Now, you can transform your workplace into an inclusive and accessible environment —for FREE!

Your Partner in Inclusion

MDI is a non-profit social enterprise with over 50 years of experience, who employs nearly fifty percent people with disabilities in a manufacturing setting at various levels of our organization.

We have a deep understanding of how inclusive strategies in the workplace are built.
